

Tri-Adventure Race Report

Thursley 17 June 2018

Another great day for Adventure Racing in the Surrey Hills. The day started with a brief shower before all arrived and then the cool conditions made for a great day for racing. For this event I chose to have just the 2 hour events available to try and get all the Adventures Racers against each other in the same category, but unfortunately we saw a decline in the numbers who attended. The courses were as challenging as ever, not just sand to contend with, but overgrown nettles. We saw just over 30 head off at 10am, you can see the start through the facebook link below:

The usual crew of Leszek, Chris who were away caravanning and Tracey who was on another assignment allowed some of our regular Tri-Adventured step up to help run the show. Thanks to Leona on Registration and Barry on Transition for doing a fab job and allowing the day to run smoothly.

Chrissie Glew was victorious in the 2 hour **Women's Sprint** having collected 7 checkpoints. The **Sprint Pair** of Maria and Pete Oinn.

The **Men's 2 hour Trail** was won by a large margin. Sid managed to get round 11 checkpoints to come in 6s late and beat 2ns place by 29 points! Well done Sid..

Monique Stephens was our winner in the **Ladies' 2 hour Trail**, finishing with 9 CPs but losing 18 points from being almost 9 minutes over.

The the **Women's MTBO** was again won by Rachel Clay who this time went round with her son Will. Will managed to get round 12 checkpoints on his bike before arriving back with 10 mins to spare. Andy Jones zipped round the **Men's MTBO** course, collecting 18 CPs but again losing 6 points for arriving back to the finish a little bit late.

The full race results, with splits and transition times, are available on the Tri-Adventure website [here](#).

If you have photos to add from events, please do [email](#) them, tweet them to [@tri_adventure](#), or post them on [Facebook](#) / [Instagram](#).

Thanks to my crew, Leona and Barry, who worked hard to make the event a success. If you know anyone who might be interested in helping to crew at an event, please get in touch.

NEXT EVENTS

Our next event is the [14 hour Night and Day Event](#) on Saturday 14th July. After this, the next Adventure Event will most likely be in Sept/October time as I feel these summer months do not attract enough participants to make the events viable.

Finally, please use Social Media to tell others about Tri-Adventure – Facebook, Twitter, Instagram, etc. We want to keep putting on fantastic events, which challenge people whilst making them feel good (as those of you who take part will confirm), and we need to increase our numbers to make this happen.

Yours in Adventure,

Adam
